

Senior QC Technologist

Herrco Cosmetics have an exciting opportunity for a **Senior QC Technologist** to join our team in Halesworth, Suffolk.

Exciting salary range of **£22,000 - £24,000** per annum

Herrco Cosmetics...

...are an innovative UK based cosmetics manufacturer, specialising in bespoke product development and formulation. For over two decades, we have been creating some of the most well-known cosmetic products in the UK, and year on year, our formulations are winning increasingly prestigious awards in top cosmetics ceremonies.

Manufacturing cosmetics and personal care products spanning skin care, bath, body, and aromatherapy products, as well as more niche markets such as mother & baby, Sun Protection factors and organics. Herrco is a thriving family business whose company philosophy is firmly rooted in providing flexible innovative solutions for our clients' production criteria.

We are now looking for a talented individual to come and join our team. We recruit people who believe in the things we do, people who are motivated, hardworking, and have a 'can do, will do attitude'.

Senior QC Technologist Job Duties:

- Assisting the Quality Supervisor to ensure a high level of Quality Control is maintained at all times and that all procedures are being adhered to
- As a senior member of the team provide guidance for your colleagues and deputise for the Supervisor in their absence
