

# Machine Technician

Herrco Cosmetics has an exciting opportunity for a Machine Technician to join our team based in Halesworth, Suffolk.

We are offering a competitive salary range  
**£23,000 - £27,000 per annum**

**The Job:** Working in a manufacturing environment, to undertake accurate and efficient setting of various machines in the production department. Ensure lines are set in time for production to achieve the company's quality and production targets and ensure all procedures are followed with a high level of discipline.

**Herrco Cosmetics** is an innovative UK-based cosmetics manufacturer, specialising in bespoke product development and formulation. For over two decades, we have been creating some of the most well-known cosmetic products in the UK, and year-on-year, our formulations are winning increasingly prestigious awards in top cosmetics ceremonies.

Manufacturing cosmetics and personal care products spanning skin care, bath, body, and aromatherapy products, as well as more niche markets such as mother & baby, sun protection factors and organics, Herrco is a thriving family business whose company philosophy is firmly rooted in providing flexible innovative solutions for our clients' production criteria.

We are now looking for a talented individual to join our team. We recruit people who believe in the things we do, are motivated, hardworking, and have a 'can do, will do attitude'.

## Job Duties:

- Reporting to the Engineering Manager and working as part of the team on weekly rotating shifts: 5.45am – 2.45pm and 1.00pm – 10.00pm
- Set up production lines to the standards required.
- Ensure all production lines are running to the optimum capacity and to quality standards.
- Maintain excellent housekeeping and hygiene standards.
- Follows company policies and safety regulations.
- Take part in project activities and support the wider engineering team.
- Recommend measures to improve production methods, equipment performance, and quality of product.
- Undertaking line trials of new products and completing necessary documentation in liaison with the account manager.
- Be responsible for highlighting and addressing any H&S or poor housekeeping issues within your operational area.
- Working as part of a busy team.

## Essential Requirements:

- Previous experience as a machine technician in an FMCG environment.
- Good literacy and numeracy skills.
- Self-motivated and a real team player.
