

# Software Developer

**Herrco Cosmetics** has an exciting new opportunity for a **Software Developer** to join our team based in **Halesworth, Suffolk**.

We are offering a very attractive and competitive starting salary

**Herrco Cosmetics** is an innovative UK-based cosmetics manufacturer, specialising in bespoke product development and formulation. For over two decades, we have been creating some of the most well-known cosmetic products in the UK, and year-on-year, our formulations are winning increasingly prestigious awards in top cosmetics ceremonies.

We manufacture cosmetics and personal care products spanning skin care, bath, body, and aromatherapy products, as well as more niche markets such as mother & baby, sun protection factors and organics.

Herrco is a thriving family business whose company philosophy is firmly rooted in providing flexible innovative solutions for our clients' production criteria.

We are now looking for a talented individual to join our team. We recruit people who believe in the things we do, are motivated, hardworking, and have a 'can do, will do attitude'.

## Software Developer main purpose :
