Job Summary

Do you have experience of software development and are looking to join a software development team with lots of exciting projects on the horizon? We want to hear from you!

As part of the Software Development Team, you will help develop the architecture of the business, with a strong focus on innovation. Working closely with a small team of developers on in-house projects and third party software, you will contribute with ideas as well as code to ensure we write flexible and future proof software the business needs to grow. A breadth of full stack projects from ERP integrations, native apps and cloud computing. You will become part of an autonomous team in a flexible working environment, to help ensure you are well equipped for personal and software development. Working hours are: Monday to Friday, 08:00 - 17:00, 41.25 hours per week (albeit flexi-scheme in operation).

What Is On Offer?

- 30 days holiday (Inc. Bank Holidays)
- Extra 1 day holiday for every 2 years' service (up to 10 extra days)
- Monthly employee events
- Free parking
- Generous compassionate and emergency leave policy
- Sick pay scheme
- Flexi-time scheme, including days working from home
- 3.5% Employer Pension Contribution.

What We Need From You?

- C#, Dart experience or equivalent
- Knowledge of Xamarin.Forms, Flutter, WinForms or equivalent
- An understanding of microservice architecture
- Good knowledge and experience of SQL and T-SQL
- Git version control
- DevOps including an understanding of build and release pipelines, CI & CD
- To be a solid team player and ability to work on own initiative.
