## Job Summary

Are you an experienced Engineer looking for your next opportunity? Want to work for a fast growing company with many engineering challenges ahead? We want to hear from you!

As an Engineer, you will carry out preventative and reactive maintenance, resolving engineering issues within tight timescales to minimise asset downtime.

You will deliver individual and team projects in line with business development requirements. You will have experience working with contracts and contractors ensuring compliance with safety, design and project timelines.

The shift pattern: 05:30 - 14:30, 13:00 - 22:00 or 08:00 - 17:00, 41.25 hours per week.

## What Is On Offer?

- 30 days holiday (inc. Bank Holidays)
- Extra 1 day holiday for every 2 years' service (up to 5 extra days)
- Generous Compassionate and Emergency Leave Policy
- Sick Pay Policy
- Monthly employee events
- Free parking
- 3.25% Employer pension contribution
- Employee of the Month award

## What We Need From You?

- Minimum 5 years experience as an engineer, ideally gained within a FMCG environment, although we recognise transferable skills
- Recognised engineering qualification
- A good working knowledge of Health & Safety
- Experience with engineering diagnosis and repair
- Methodical ways of working and highly organised
- Able to delegate, prioritise and manage multiple tasks
- Energy, drive and a flexible approach to working in a fast-paced business
