About Herrco Cosmetics

A thriving family-owned business based in Halesworth, Suffolk that has been rapidly growing for 30 years and now employs over 160 staff across many different specialisms.

We are an innovative cosmetics manufacturer specialising in award-winning bespoke beauty product development and formulation, spanning skincare, bath and body care, haircare, sun care and much more.

We recruit people onboard our rocket ship who believe in the things we do, who are motivated, hardworking, and make it happen!

Herrco Cosmetics is an equal opportunities employer and is fully committed to treating all of its employees and job applicants equally

Job Summary

Working with premium brands and formulating high quality products is our core business. We live and breathe innovation, new technology and are at the forefront of new raw materials.

Exciting Job Duties Include:

- Working closely with the Commercial Team on NPD briefs, taking from concept through to launch.
- Development of products through the lab in all areas of personal care including: skincare, hair care, bath and body, mama & baby, and more, for a wide range of customers and requirements.
- Responsible for formulas through stability, micro and compatibility testing.
- Keeping up-to-date on trends and attending cosmetic seminars and events.

What We Need From You:

- Experience in formulating in the Personal Care sector
- Excellent organisational and communication skills
- Chemistry graduate or similar
- Excellent accuracy and attention to detail
- Business savvy and commercial awareness
- Natural creativity and flare for product development and innovation
